

## **A FAMILY**

**A family stays oh so strong  
Using love as its prime equipment  
Understanding also plays along  
Having a total unbiased commitment**

**The rivalries often displayed  
Always seems quite a demand  
With compassion and trust being portrayed  
Keeps things from getting out of hand**

**A family is oh so close  
A network of love and trust  
A family is stronger than most  
Commitment is one of a must**

**The teachings of wrong and right  
Must always be followed through  
With awareness, only to give sight  
Only makes you a better you**

**A family cannot be broken  
Like hearts or even glass  
The love portrayed and often spoken  
Shows a family with a lot of class**
